

LONG ISLAND SPIRITUALITY THROUGH SERVICE

The Long Island Spirituality Through Service Workshop ("LISTS") aspires to introduce and reaffirm the strong spiritual benefits of service to recovering alcoholics; provide convenient accessibility for A.A. members who are physically located on or near Long Island; communicate the local activities and services available through A.A. counties and districts on Long Island; celebrate the successes of service groups on Long Island and excite new participants; attract participation in service in A.A. at the group, district and Area levels; share the experience, strength and hope of local trusted servants who have grown spiritually through their service; inspire both spirituality and service, so that A.A. members may continue to grow in love and service as we practice our 12th Step.
