

Web Chair Report – March 15th, 2019

Website Updates

- Completed several technical and software updates on the Suffolk General Service website. These had been put off while Unity Breakfast tickets were on sale (since mid-November).
- Looking for assistance and ideas for a re-design of the SGS website. See me after meeting if you would be interested in serving on the web committee. We meet every month before the General Service assembly at 7 pm.

2019 Unity Breakfast – Online Ticket Sales

- 343 e-tickets were sold online, and 295 attendees were checked into the event. Thanks to **Scott B, Tina B, Melissa S, and Shannon O** for their service scanning in attendees – check-in went very smoothly this year! The addition of a bar/QR code scanner and a new mobile app also helped the process along.

Online 7th Tradition Contributions

- Reminder that individuals and groups can make 7th Tradition contributions directly on our secured website using either a credit card, Pay Pal, or bank account.
