

Web Chair Report – April 2019

Website Updates

- 1st meeting of the new (2019-2020 rotation) web committee was held at 7 pm tonight.

2019 AA Technology Forum

- I am requesting financial support from the body to attend the National AA Technology Workshop September 20-22 in Bowling Green Kentucky. See back page of this report for further details.

Online 7th Tradition Contributions

- Reminder that individuals and groups can make 7th Tradition contributions directly on our secured website using either a credit card, Pay Pal, or bank account. Thanks to the **12 Steps of Hope** group for their online contribution last month.

Email Communications

- Tonight is a great example of the importance of providing your email address to the registrar. Hopefully everyone got the message about the April meeting date change last week; email is how we communicate important information, including event date and venue changes, to our members.
- Join the Suffolk County General Service mailing list by visiting <https://aasuffolkgs-ny.org/subscribe/> and enter your email address (required). You will receive an email to confirm your subscription to the list, and as a further security measure you will be asked to confirm your humanity by checking a box. Members can unsubscribe from the list by either clicking the appropriate “unsubscribe from this list” link at the bottom of any email received from Suffolk GS, or by visiting <https://aasuffolkgs-ny.org/unsubscribe/>.

AA Technology Workshop

The purpose of the workshop is to provide a venue to encourage sharing our collective experience regarding technology as it relates to AA. The workshop is being held September 22-24 in Bowling Green Kentucky. Area 49's Delegate and Alternate Delegate are planning to attend the workshop.

Expected Benefits

- Discover how other areas utilize technology to help carry AA's message of recovery,
- Network with others who are involved with technology and get ideas on how we can enhance our website,
- Learn how other service entities ensure that we don't break AA Tradition's through the use of technology.

Estimated Cost of Workshop

	Cost
Workshop Registration	\$65
Airfare	\$500
Hotel, 3 nights	\$390
Total	\$910

I will be responsible for the cost of meals, local transportation, and transfers to/from the airport.

Receipts will be provided to the SGS Treasurer for the 3 items listed in the table upon my return from the workshop.

Thank you for considering this request for financial support and for the opportunity to become a better trusted servant.
