

Web Chair Report – September 20th, 2019

Website Updates

- As you read this report, I am in Bowling Green Kentucky attending the annual AA Technology Workshop. Thank you for the opportunity to better serve Suffolk County as your web chair! A full conference report will be prepared for the October assembly.
- The new page for the CPC chair is now complete, and we continued to work with the Accessibilities committee to publish content on their web page. I reached out to all standing committee chairs offering the assistance of the web team if they are interested in publishing content on our website.
- Performed a full site backup and updated content management and other software used on our site.
- Attended kick-off meetings for the 2020 Unity Breakfast in August and September. We will be selling e-tickets for the event on our website. Stay tuned.

Online 7th Tradition Contributions

- \$10 in 7th Tradition contributions were made during the past month.
- Reminder that individuals and groups can make 7th Tradition contributions directly on our secured website using either a credit card, Pay Pal, or bank account.

Email Communications

- Since Suffolk's email list is not directly linked with the Area 49 database for automated updates, we worked the Area and County registrars to gain access to the Area database. We now have the ability to import new members who provide an email address when they register. There are currently **262** members subscribed to the SGS email list.
- Join the Suffolk County General Service mailing list tonight by visiting <https://aasuffolkgs-ny.org/subscribe/> and entering your email address (required). You

will receive an email to confirm your subscription to the list, and as a further security measure you will be asked to confirm your humanity by checking a box. Members can unsubscribe from the list by either clicking the appropriate “unsubscribe from this list” link at the bottom of any email received from Suffolk GS, or by visiting <https://aasuffolkgs-ny.org/unsubscribe/>.
