

Web Chair Report – March 20, 2020

Website Updates

- The last week or so has been devoted to updating [our website](#) with the latest info regarding the Covid-19 situation. We have been collaborating with [Suffolk Intergroup](#) (SIA) on a daily basis to coordinate efforts in making accurate information available to our members.
- Please visit this new page which has been established as a central repository for GS related updates regarding this situation: <https://aasuffolkgs-ny.org/covid-19/>
- 685 Unity Breakfast e-tickets were sold online this year. This is more than double last year's figure. I want to thank all of the volunteers who scanned in attendees on the day of the event – you helped make the check-in process a success!
- Software updates on the Suffolk GS website were deferred while e-ticket sales were taking place, so I was able to catch up with them after March 1. A full site backup was also completed.

Online 7th Tradition Contributions

- Reminder that individuals and groups can make 7th Tradition contributions directly on our secured website using either a credit card, Pay Pal, or bank account. It's a safe, easy and efficient process – visit <https://aasuffolkgs-ny.org/contribute/> to make your contribution today.

Email Communications

- It is critical that we stay connected during these trying times! Please encourage other GSR's in your area to sign up to our e-mail list so we can inform them of breaking info and updates. See below.
