

Web Chair Report – May 15th, 2020

Website Updates

- Once again, last month was devoted to updating [our website](#) with the latest info regarding the Covid-19 situation. Collaboration continued with [Suffolk Intergroup](#) (SIA) on a number of items, including moderation of several SIA sponsored online meetings. Please visit our new [Covid-19 page](#) that has been established as a central repository for GS and meeting related updates regarding this situation.
- This month Suffolk GS will be hosting its assembly virtually using the **Zoom** platform. Care was taken to setup the meeting securely and to protect member anonymity.
- My term as web chair will come to an end in December of 2020. I've been serving as the chair since March of 2018, and in the spirit of rotation it is my hope that someone else will be able to experience the "joy of service" in the same way that I have.
 - o Please email web@asuffolkgs-ny.org if you or someone you know has some tech skills and would like to participate on the web committee.
