Good evening,

First, I would like to say I hope everyone is well and safe, including your families and friends. I would like to Welcome all new and returning General Service Representatives, as well as all other Trusted Servants to Suffolk County General Service. If you are new please understand that there is a learning curve, not unlike attending your first AA meeting. Please get numbers of others and reach out between now and the next meeting with questions. We will be holding our meetings on a virtual platform at least until the summer, aligning with safety measures being taken by SENY, at which time we will assess what is safe and feasible.

I want to thank my fellow Officers, Committee Chairs, GSRs and DCMs and fellow AAs for giving me the opportunity to serve you as your DCMC. I am very excited for this opportunity. Thank you for allowing me to serve.
