DCMC REPORT

Welcome to all new and returning members! I am appointing an ad hoc exploratory committee to research technology to best transition our meeting to a hybrid meeting, once it is safe enough to reopen in person. Please let me know if you are interesting in serving on this ad hoc committee. I reached out to the Fish Church (where we met prior to meeting at True North) to see if they were renting space at this time, they said to try back in a few months. I rented a storage unit to house the literature and grapevine books, though I will need to explore a 24 hour location prior to us meeting in person again. **If you are able to visit a silent meeting this month please fill out the google form**

****The next Committee chair meeting will be held
4/29 at 7pm****

**I am available for group Inventories and to speak on
traditions or concepts.**

The service sponsorship chair and I will continue doing the traditions workshop on Saturdays at 12pm for SGS members, focused towards new GSRs and newer committee chairs. Remaining dates are: 4/17, 4/24, & 5/1.
