I attended the virtual Area 49 Literature meeting on 7/18/2021. The Literature Area Chair is Kingsley.

At the July Area Committee, we discussed taking inventory so that I know the literature that I have on hand as events are now slowly opening up in both Suffolk County and the Area. The purpose is to ensure that each county has the recommended amount of literature on hand for distribution.

I attended the New York State Informational Workshop on July 30 and 31<sup>st</sup>. Mary the SENY Link editor was on the Literature panel.

I attended the Joy of Service Workshop on Saturday, August 7, 2021. The literature for the Workshop Related material is the AA Pamphlet- AA's Legacy of service and excerpts from Dr. Bob's nightmare.

The SENY literature committee took a break for the month of August 2021 in agreement with SENY Area 49.

I am planning on attending the next virtual Area 49 Literature meeting is this Sunday, September 19, 2021.
