I am ordering literature. The new 2021-2023 A.A. Service Manual/Twelve Concepts for World Service is now in stock. I have included a link to the electronic copy that can be downloaded, until the physical copies can be distributed. If you would like a physical copy until we meet in person, then you can go to AA.org, go to the Online bookstore and order the service manual. It is \$4 + tax and shipping. There are also new audio recordings of the Big Book on CD on the AA.org online bookstore.

Reminder that Suffolk General Service with the help of the Technology Committee has a Virtual Newcomer Packet, the link is below.

The new pamphlet Faith Leaders Ask About Alcoholics Anonymous is also on order and I have provided the link to the electronic pdf copy. This is the revised pamphlet previously titled Members of Clergy Ask About AA that was revised as a part of the 71st General Service Advisory Actions. The Twelve Steps and Twelve Traditions has also been revised, I spoke with the Area Literature Chair, Kingsley and they have started printing the revised Twelve Steps and Twelve Traditions. and I am planning to have the revised editions available (if they are available) when we meet in person.

I have included the pdf versions of the new AA Service Manual/Twelve Concepts for World Service 2021-2023. Safety in AA Flyer ad the new/revised Faith Leader Ask About Alcoholics Anonymous.

If you go to the Area 49 Literature Committee Information Website, there are pdf's available of the fourth edition Big Book, the (old/non revised) Twelve Steps and Twelve Traditions (I was hoping that the pdf was the revised Twelve Steps and Twelve Traditions.

Hispanic Women in AA new pamphlet – The 15 stories share the experience, strength, and hope of a wide variety of Hispanic women, all of the alcoholics who found sobriety and a new way of life within AA.
