Registrar

If you are a new GSR, Alt GSR, DCM, or Committee Chair, please register on aaseny.org. Scroll down to "Register Your Service Position..." to begin the process.

Please make sure you register with the full name of the group and town that it is located in.

If your group is new or unregistered, please go to aaseny.org to register your group in addition to registering your new servant positions. Groups must be registered through the SENY database before service positions can be added for communications.

Lastly, please check your emails periodically. Registrars will reach out via email for additional information or with questions about your group registration if needed. Thank you so much!
