

Suffolk General Service Alt-DCMC Report

February 2024

Hello Trusted Servants,

The deadline to register for the SENY Convention and still receive a name badge is February 22, 2024. You can still register for the convention, but there's no guarantee that you'll have a pre-printed name badge.

At the SENY Committee meeting, the 2024 Budget was approved.

AA World Services continues to have financial concerns. Group and individual contributions are up, although the number of groups contributing is down. There's a discussion concerning building the WSO reserve fund to pre-pandemic levels of 9-10 months of the prudent reserve of the operating expenses. Currently, the reserve is at around 7 months reserve and there's a plan to draw -down the reserves to pay some past-due bills.

To obtain a copy of the Reserve Fund Policy, available in English, French, and Spanish, email memberservices@aa.org and include "Request for Reserve Fund Policy" in the subject line. Or call 212-870-3023.

The Grapevine and LaVina apps are available. There's been a great response to the apps. The download of the Grapevine App is #32 on Apple's top 200 downloads. So, there's been a great response to the Grapevine and LaVina apps.

EACYPAA Convention is at The Huntington Hilton April 25-28th. Tomorrow there's an EACYPAA (Eastern Area Convention of Young People in AA) event, For the Love of Service in Oceanside, NY. The suggested donation is \$20. The EACYPAA convention needs support and various fundraising workshops are being held.

Thank you for allowing me to serve,
