

Suffolk General Service Alt-DCMC Report

March 2024

Hello Everyone,

March is always a very busy month in AA for me. There's the Unity Breakfast, SENY Convention, My Homegroup's Anniversary, and my AA anniversary.

I attended the Unity Breakfast. It was a huge success and an opportunity for me to have breakfast and fellowship with AAs from all over Suffolk County and there were guests in attendance from other areas like Queens General Service.

I attended the SENY Convention last weekend on March 15-17th 2024. It was a great weekend. Suffolk County was in attendance and service at the Convention. Our very own Kimberley (Suffolk DCMC) was a featured speaker at the Theme meeting on Saturday and our District 120 DCM Jim S was a key character in the play "The Sponsoring Game". I would like to say that Jim S was very convincing and a good sport in his role. Kimberley's share was honest, moving, and full of hope. I attended the workshop on the 3 legacies and our very own John V and Jim S were speakers in different Concept workshops. Our treasurer Heather spoke in a workshop. Dawn and Sergio also led an Alkathon meeting. Suffolk County was well represented and I'm sure that I missed a workshop led by Suffolk attendees. I apologize if I missed anyone. Kimberley and I also served at different times at the very busy registration table. I believe almost 1,000 AAs attended the SENY Convention. I also met a lot of AAs from Area 48, as Tarrytown, the location of the convention, is in Area 48 and many AAs in Area 48 took advantage of having the Area 49 convention in their area (backyard).

My home group, the Patchogue Group had its 71st Group anniversary on St. Patrick's Day and I spoke at The One and Only Group's 14th Anniversary on March 9th I had just celebrated 14 years on March 7th.

EACYPAA Convention is at The Huntington Hilton April 25-28th. It is important to consider attending the 2024 EACYPAA (Eastern Area Convention of Young People in AA) Convention because Long Island won the bid for the YP convention, and we should register and support the Young People convention coming to Long Island. Volunteer and speaking opportunities are available on the website. The link is on my report.

The Pre-Conference Assembly is on Saturday, April 6, 2024, and the responses to the Delegate's Questionnaire are due on that day. The questionnaire and background materials are available on the SENY website, just go to the website under From the Delegate.
