Suffolk County CPC Committee Chairperson Report (Kasey N.)

At the last committee meeting we prepared and emailed a letter to the Chief of Police for the Town of Riverhead in an attempt to make a connection and offering to come and give a presentation. We have not heard back yet.

We have reached out to the Riverhead Ambulance Corps, Inc. and Flanders Fire and Rescue Squad and are waiting for calls back. A committee member is scheduled to follow-up at the end of the week.

We are working on preparing an outline (upon request) of what we plan to present for the Suffolk Police with the hopes of having the opportunity to schedule a presentation.

I have been given contact information for the CPC Coordinator in the General Service Office and I have emailed him to request power point presentation materials that can be adapted for the local level and to schedule a telephone call.

The committee meeting will be every fourth Thursday at 7:00 pm, virtually.
