Suffolk County CPC Committee Chairperson Report (Kasey N.)

We have Jenna W. serving as Secretary to our committee.

At the last committee meeting we discussed other first responders we could reach:

- Suffolk County Sheriff's Department

We collected contact information for East Moriches Ambulance Corp.

A presentation outline for the Suffolk County PD was prepared and submitted and we have not heard anything back yet regarding scheduling an actual presentation.

We have reached out to the Riverhead Ambulance Corps, Inc. via email and have not heard anything back yet. In addition, we have reached out the East Moriches Ambulance and are awaiting a response from them as well.

We have identified a contact with FDNY Counseling Service Unit-Suffolk and will be taking action on this lead during this next month.

We have begun preparing a local power point presentation, based on the materials obtained from the CPC Coordinator in the General Services Office so that it is all prepared and ready when we are asked to give a presentation.

The committee meeting will be every fourth Thursday at 7:00 pm, virtually.
