

Motion: Increase annual Suffolk County General Service seed money for the Unity Breakfast from \$1,500 to \$3,000, due to inflation.

Background Info: Current seed money is \$1,500. The majority of the current seed money is used for the venue deposit (at East Wind in the past it's been \$1,000), leaving only \$500 for expenses. The seed money is returned to SC General Service after the event each year.

Some expenses incurred up to close of ticket sales:

Printing

Sound

Bracelets (or stamps)-some way to identify PAID tickets

Speaker Gifts

Guest Name stickers

Badges for Committee Members
