Suffolk County CPC Committee Chairperson Report (Kasey N.)

We have identified a contact within the Community Relations Unit of the Suffolk County Sheriff's Department. We have emailed an introduction to him and offered to come and do a presentation. This communication was sent at the beginning this week, so we are awaiting a reply.

We have identified a contact with FDNY Counseling Service Unit-Suffolk. I reached out and spoke with someone, explaining I was calling from AA and was looking to connect so that we could share information to help with connecting any counseling patients with an alcohol problem with AA. I was given another number to call and will be reaching out this week.

Only myself and the secretary were at last month's committee meeting. Need participation.

If any AA members have a first responder contact and are willing to share it, please see me after this month's County meeting or email me.

The committee meeting will be every fourth Thursday at 7:00 pm, virtually.
