

Suffolk General Service Alt-DCMC Report

November 2024

Hello Trusted servants,

As this, Panel 73 is winding down, I would like to say that it has been an honor serving in Suffolk General Service.

I would also like to congratulate the incoming officers:

Heather – District Committee Member Chair

Mark – Alternate District Committee Member Chair

Frank - Treasurer

Kasey – Registrar

Mark I feel is shadowing me. I was the Literature chair and became Alternate DCMC and Mark is the Literature Chair and the incoming Alternate District Committee Member Chair

Service has been rewarding and most importantly, service has kept me sober. Serving Suffolk County General Service has given me the opportunity to serve and work with all of you.

There are many opportunities for service in A.A., and most of us, myself included, have found that volunteering to do AA Service improves the quality of our recovery.

I appreciate all of the support during this panel and for everyone who has served with us and represented Suffolk County here at General Service.

I urge all AA's especially those young in sobriety whether in age, sober years, or spirit to go to the SENY website. These videos are in English, Spanish, and French. The new videos are:

I Thought Drinking Made Me an Artist

It Could Save Your Life

I urge everyone to support the incoming Suffolk General Service Panel 75 by filling all of the service positions and making the next two years in Suffolk General Service the best two years ever.

Thank you again for allowing me to serve, your support has meant so much to me, and I value each and every one of you, and of course my special thanks to Ron and Bernard in the Hospitality Committee.
