

May 16, 2025 DCMC Report

It has been a busy month!

- I attended the Pre-Conference assembly on April 12 and got to experience the spirituality of encouraging and supporting our delegate on her way to the conference to convey our voices down the triangle.
- I attended the Nassau County Share a day on April 26
- I served on the Hospitality Committee at the General Service Conference and accompanied plus ones to Top of the Rock, St. Patrick's Cathedral, Radio City Music Hall, Grand Central Station and we even got to attend the Jimmy Fallon Show! I also attended the banquet for the General Service Conference and sat next to Bob Wilcox, GM of the General Service Office and talked about finances, the new hotel- the conference moved from Brooklyn to Manhattan this year, and working out.
- I spoke at a new LICYPAA event on May 10 called "Keys to Success". John V and I spoke on Service.
- May 31, I participated in a group inventory. Grateful for that very spiritual experience.
